

Phonics

This term we will be learning the last of our phase 3 sounds and recapping unfamiliar sounds as well as phase 2 and phase 3 tricky words.

Books and games to support this will be allocated to active learn.

Literacy

This term we are focusing on the books 'Brenda's Boring Egg' and 'Farmer Duck'.

We will be hot seating the characters, focus on their thoughts and feelings, write letters and create our own version of the story.

We will also be creating a fact file about ducks.

Reception

Summer Term 1

Topic: Growth

Topic

This term we will be hatching and learning about the life cycle of a duck.

The children will spend a lot of time observing the ducks, caring for them, watching them grow and asking questions about them.

We will be creating observational drawings of our ducks, looking for similarities and differences between them, conducting egg experiments and learning facts about them.

Maths

In Maths we will be focusing on numbers 11-20. Building numbers to 20, noticing number patterns, exploring 2D shapes and learning about time.

Special Days

Monday – PE

Friday – Forest School

Please ensure home learning folders are returned to school by Tuesday so that they can be changed and sent back home on a Friday
